

## Eye Shield

( Clear / Milky / Coloured )

### Eye Shield ( Clear/ Milky/ Colored )

Convenient to use, hygienic & sterile is the range of disposable ophthalmic supplies that we offer. These ACTION ophthalmic supplies are meticulously designed with attention to doctor's & patient's need for convenient use. The usage of qualitative raw materials used assures high performance, safety and affordability.

These are precisely contoured, plastic dish to cover the eye during any medical procedure. The eye cover is conducive to access the nose-bridge and temples and allows the doctor to operate smoothly around the designated area without causing any discomfort to the patient

Applications: Used as a shield to cover a bandaged eye for treatment of injuries or after cataract/refractive surgery.

Best Suitable: Ophthalmic procedures

Product's USP:

- Fits both Left or Right eye.
- Highly flexible and soft contoured for comfort
- Transparent variants eliminate visual distortion.
- Available in Clear/ Milky/ Colored variants. ( However the colour readily available in the warehouse will be shipped out )
